Re: Steven Riley v. City of New York, 07 CV 11399 (RJH)(KNF)

Your Honor:

I am plaintiff's lawyer on the above matter, which recently was settled against the City of New York. I write to clear up one matter that remains unresolved. Although plaintiff has settled with the City and the police officers in this case, there remains a named defendant in this case which has not settled. I am referring to Stacy Alldredge, the civilian complainant who made the complaint against plaintiff which led to his arrest in the first place.

Considering the fact that she is the sole remaining defendant and has not settled with plaintiff or entered an appearance, I hereby request that the Stipulation and Order of Discontinuance entered by Your Honor be modified to the extent that the case against Stacy Alldredge be dismissed without prejudice so that plaintiff can seek redress against her in state court.

I have discussed this issue with Brian Francolla, the lawyer for the City, and he does not oppose this request. Thank you.

Respectfully,

Steven Hoffer
